Dear Ms. Jennings:

I understand from Councilwoman Natalyn Archibong of the 5th District that Sanders Avenue residents are pursuing no parking designation for this street.

Please accept this letter as a request and support of this important designation. Given the narrow layout of Sanders Avenue, parking cars pose a barrier in attempts to get fire trucks through to meet emergency needs. This is of utmost concern in that every minute counts when emergency situations occur.

We appreciate the efforts of the residents, Councilwoman Archibong, and your department in working together to create a safe environment. Please give us a call if you require additional information.

Sincerely,

Manuel Trujillo
